

Boston University Webinar Series - The Future of Commercial Real Estate Post CV-19

Boston University's Program for Real Estate Studies recently completed a 7-part webinar series on the future of commercial real estate after the COVID-19 pandemic. Jon Keefe, the Real Estate Program Director and Rob Nahigian, President of Auburndale Realty and BU Instructor in the Real Estate program, co-moderated the webinars which featured guests from a variety of real estate disciplines and industry sectors.

The seven webinar topics, speakers and links to them are below. We are certain you will find them interesting and thought provoking and hope you can glean some useful insights to help you successfully navigate through this crisis now and in the future.

1. April 16th - Ethics v. Morals v. Legal Rights vs. Good Business Practices with CV19

- a. Speakers
