

How to View and Print Grades and Transcripts

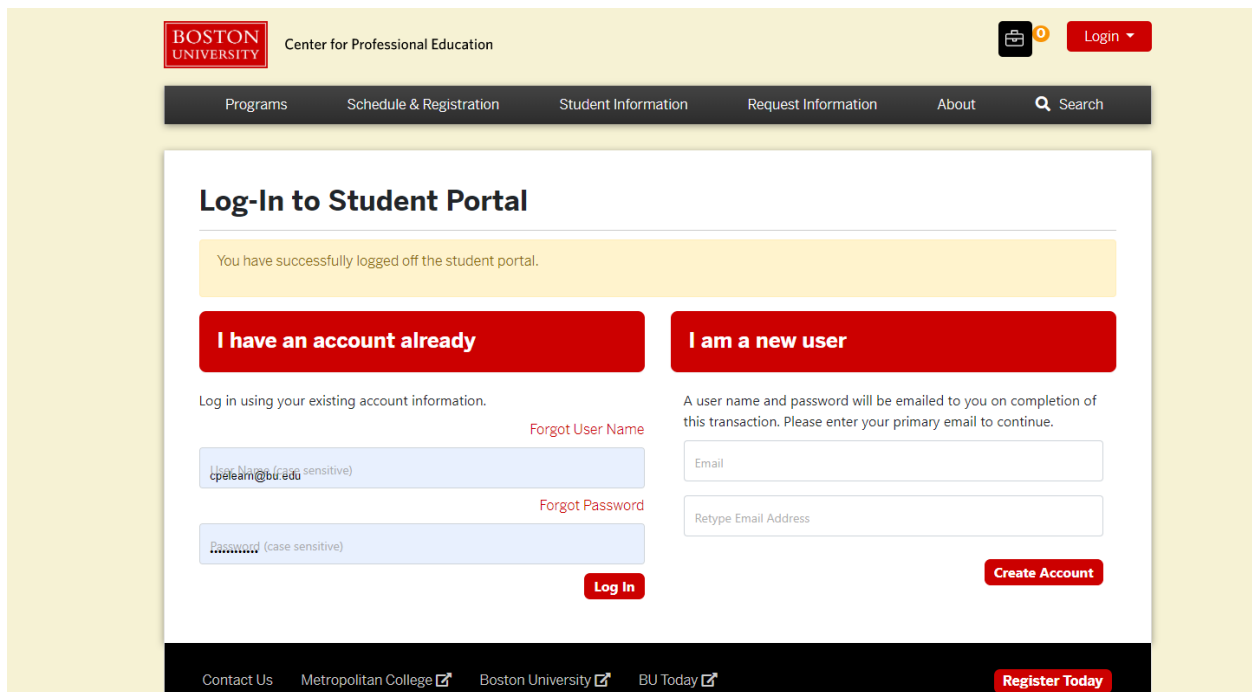

You will not be able to navigate to all features using a tablet.

Student goes to CPE website, <https://cpe.bu.edu/>, and clicks Login

Once you've enrolled in a class, you have an account. The **username** is the original email address used to register for the class. If the password is forgotten, click "forgot password." A temporary password will be sent, and after it is changed, you will be able to access your account. If you have a Blackboard account, your password may be different, even if your username is the same.

Grades will be posted here if you enrolled in CPE courses after July 2019. If you enrolled before this date, please request your transcript by emailing cpe@bu.edu. Let us know your name, program, and dates when you attended. A separate transcript will be sent to you.

The **Student Home** will appear. On the left menu, choose **My Enrollment History**.
